

## Limited Warranty

### Recycled Products Listed Below

Barco Products Company warrants that the products listed below are manufactured from a minimum of 96% (by weight) commingled post-consumer High Density Polyethylene (HDPE). To obtain color, UV stability and other desirable properties in the product, various additives may be incorporated into the plastic. These items amount to a maximum of 4% of the product.

These recycled products are warranted to original purchaser:

- For fifteen (15) years against manufacturing and material defects.
- For fifty (50) years against rot, termite infestation or corrosion.

Any product verified to be defective by Barco Products inspection will be exchanged. Customer must have a copy of original invoice.
