## Features and Benefits

Offers sophistication and appeal with heightened quality and increased durability for a long service life. This environmentally friendly unit is perfect for any indoor/outdoor application and supports your facility's green initiatives.

- Attractive, double-sided split lid with built-in divider keeps your contents easily separated
- Lid cable attachment keeps the lid secured to the base
- Lid is constructed of durable polyethylene – won't rust, dent or chip
- Set of decals included to clearly identify your recycling program requirements
- Blue/White Decals included: Bottles & Cans, Aluminum, Organic Waste, Plastic Bottles, Landfill, Mixed Recyclables, Trash and two recycle logos for lid
- Waste Container Base is constructed of heavy-gauge, fire safe vertical steel rails; unit offers extreme durability
- Weatherproof, powder-coated finish provides long service years
- 3/4" built-in feet add stability and help prevent unit from being damaged by the weather elements
- Z-bracket anchoring system (located at the bottom of the unit) allows the unit to be secured in place
- Includes two removable, black powder-coated 25-gallon galvanized liners with built-in handles
- Bag clip holders secure your trash liner in place and out of site
- Lid is made in USA and base is made in China
- 1-year warranty and ADA Compliant

## Value-Added Elements

Security cable keeps lid secure to base

Liner includes handles for convenient maintenance

Bag clips secure trash bag to reduce slippage
