

Flash Alert School Zone Crossing Sign Spec Sheet

Our Flash Alert School Zone Crossing Signs are designed to warn drivers of entering school zones and to remind drivers to be cautious of pedestrians while approaching these areas. Ultra-bright LEDs are visible in all weather conditions.

Flash Alert Systems operate at top performance with a programmable 7 day timer with our auto dimming and multi-stage battery charger features built into our smart controller.

FEATURES

- Simple installation
- Solar powered
- Visible day and night
- 7 day programmable timer
- Automatic light output for maximum efficiency
- Super bright LEDs
- Compact battery box
- Ultra slim design

Solar Powered

With solar technology, this system can virtually be placed anywhere off the grid. With the “off the shelf” battery and smart controller housed behind the solar panel, installation is a snap.

Reflective Sign

High intensity signage and MUTCD compliant.

Ultra-Bright LEDs

Our ultra-bright LEDs are one of the brightest in the industry and are completely weather proof. The LEDs will adjust brightness according to available light in order to conserve energy and battery life and maximize brightness.

Compact Battery Cabinet

- All controls hidden behind solar panel
- Off the shelf battery
- Smart controller
- Lightweight design
- Multi-stage battery charger
- Maximum power point tracking

Sign Design	School Zone Crossing
Sign Size	30" and 36"
Sign Material	High Intensity Prismatic Reflective
Solar Panel Wattage	30W
LED Color	Amber
Number of LEDs	5
