

INSTRUCTIONS

TRIANGULAR LOOP 8-BIKE RACK

INSTRUCTIONS

Before assembly, please make sure all components & hardware are included.

HEX HEAD BOLTS
M8X16 - 6 PCS

M8 Flat Washer
6 PCS

Step 1: According to diagram, attach two ends B-1 and B-2 to A.
Use provided hardware to complete the assembly.
Tighten all bolts.

Note:

Please DO NOT over tighten the screws.

Please be aware that the drain holes on B-1 and B-2 should be facing down to the ground.
