

# Trash Container, 45-Gallon Round, Open-Top Lid

Steel slotted receptacles are the ultimate in terms of durability, security, and longevity. The Receptacle is designed for indoor or outdoor environments with a spacious 45-gallon capacity that is ideal for high traffic areas. The weatherproof, powder-coated finish provides a long service life and the lid to base cable and bolt-down hardware protect your investment.

This unit includes removable 45-gallon, metal liner with built-in handles for easy and hassle-free maintenance.

## KEY BENEFITS & FEATURES:

- Indoor or outdoor solution, perfect for any business
- Durable and built to last in the harshest weather conditions
- Environmentally-friendly container constructed from heavy-gauge, fire safe vertical steel rails; unit offers extreme durability. Weatherproof, powder-coated finish provides long service years
- Liner, lid to base cable and bolt-down hardware provide extra security to protect your investment
- ¾" built-in feet add stability and help prevent unit from being damaged by the weather elements
- Z-bracket anchoring system allows the unit to be secured in place
- Includes one removable, black-powder-coated 45-gallon liner with built-in handles and bag clip holders to secure trash bag in place
- 100% Recyclable after use
